1789 Hwy 11, NW

Monroe, GA 30655

770-267-6603

The Family with Special Needs is a series of modules that run throughout the school year. Topics are covered that are designed to meet the specific needs of families raising children with special needs. Families are welcome to attend one or two modules or come all year long. One of the best parts of the class is the support that families find with other families in the class.

Children are supported and included in the regular children's programming at Faith Baptist Church each week.

For more information call Faith Baptist Church or go to the website:
